Soul Definition are here to guarantee that all your musical needs are met during your event. It is important to us that the songs we perform suit both your personal taste and that of your guests. See below for the ways we can help to customise your event and please feel free to contact us to find out how we can make your event special.

-----Package Details-----

Package	Details	Cost
Standard	Our standard package includes 2 hours of music (split however you like) performed by our usual 5 piece band of 3 part vocals, keys, guitar, bass and drums. Repertoire will include a range of Soul, Motown and Blues songs alongside a range of Pop dancefloor favourites to keep your guests dancing all night long. The band will generally require 60 minutes to load in and set up all equipment. The band will finish at 11pm unless agreed otherwise.	£1,200 In London and surrounding areas, additional costs may apply.
Song Request	With prior notice (at least 4 weeks) the band are happy to perform a number of requests not usually in their set list. We will advise you on whether the instrumentation is best suited to some of the requests (<i>Death Metal might not work best with our set up!</i>)	Free
Set List Planning	Feel free to select your favourite songs from our repertoire list and we will build a set list around these. In the run up to your event, we are happy to provide you with a proposed set list for the evening so you can provide feedback on whether you think it will go down well.	Free
Interval Music	To ensure continuity, Soul Definition can provide music in between sets from one of their many pre-prepared playlists.	Free
Full PA and lighting equipment	If you book Soul Definition, there are no hidden costs. The fee is inclusive of full rehearsals, transport, arrival and loading, PA equipment, lighting equipment. The band arrives as a complete package so you don't have to worry. All equipment is fully PAT tested and the band has public liability insurance.	Free

-----**Add on extras**-----

Package	Details	Cost
DJ Set	We've found that many clients don't wish to pay for a DJ and band so why not let Soul Definition play music from one of their pre-prepared playlists after their set until your event finishes? The band will pack away but speakers, lights and dancing will continue. Please feel free to request as many dancefloor favourites as you like.	£120 up to midnight £50 for each extra hour after this.
Instrumental Jazz Set	All members of Soul Definition are accomplished jazz musicians and would be more than willing to provide a softer set perfect for during the ceremony, drinks or meal. Usually provided as a 3 piece band.	£350
Jazz set additional members	Add additional members on to the existing Jazz set (vocalist, horn player) for a fuller sound.	£100pp
Add a Horn	Add a Saxophone, trumpet or combination of these to add further punch to those famous soul riffs.	£180pp

If there is something else you feel you would like the band to provide, then please do get in contact.
